Grievance description

Agriculture Research and Education >> Agriculture Education and Training >> ICAR (Indian Council of Agricultural Research)

Office/SMD/Institute : ICAR Indian Agricultural Statistics Research Institute, New Delhi (Agricultural Education)

The Graduate School advertised admission for different schemes for admission in MSC .It has passed more than 4 Months but till date result of schemes has not been declared. Every year result of schemes are declared within 30 days of advertisement. My daughter has applied for admission in MSC under CWSF scheme as I am an ex- servicemen. I have sent mail to department but no reply received. Number of time I have called but no reply received except wait for result on website. Since after my mail the website if Graduate School is also not functioning. Keeping such a long time for result of scheme is wasting and harassing my daughter's further preparation.

Request the authority to look into the matter and declare the result on website
