**Subject:** First Appeal Against Incomplete Response to RTI Application (Reg. No. IAGRI/R/E/25/00022)

Respected,

I filed an RTI application (**Registration No. IAGRI/R/E/25/00022**) on **04/02/2025** seeking information about laboratory waste disposal at IARI. I received a response on **03/03/2025**, but it did not fully answer one of my key queries.

In my RTI application, I had specifically asked:

**4. Are there any guidelines issued for waste management in laboratories? If yes, please share a copy.**

The response given was: "**Yes, as per institute norms.**" However, no copy of the actual guidelines was provided.

As per **Section 7(9) of the RTI Act, 2005**, the information should be provided **in the form it exists**. Since the institute follows specific norms, there must be a written document detailing these waste management guidelines. Therefore, I kindly request you to:

1. **Provide a copy of the official guidelines** issued by IARI regarding laboratory waste disposal.
2. **Clarify the exact norms or policies** being referred to in the RTI response.

Since this is a matter of proper waste management practices, I request you to **direct the CPIO to provide the requested document**.

**Applicant Details:**

I request you to take necessary action as per the RTI Act, 2005, and provide the required document at the earliest.

Yours sincerely,  
Avinash Rana
